What is sponsorship at Beale Park?

While sponsorship doesn't cost the earth, this additional donation will make a tremendous difference. Beale Park's sponsorship scheme gives you the opportunity to share in the initiatives which we run for wildlife conservation and to care for endangered species.

By joining our sponsorship scheme, you directly contribute to the upkeep and welfare of your chosen species and the running of the Park.

Every penny raised helps: to fund our conservation and captive breeding programmes; purchase specialist foods; heat and maintain enclosures, as well as ensuring that trained staff are in place to care for the animals, as we strive to create the best possible environment for our animals and visitors.

What is included in your sponsorship?

- **NEW for 2018** – a voucher to be exchanged for a Beale Park mug
- A complimentary entrance ticket valid for one visit during the sponsorship period. Redeemable only in the Park's Open Season
- A Sponsorship Certificate
- Your name included on a sponsorship notice board
- The opportunity to talk to a keeper about your sponsored species (to be pre-arranged)
- The knowledge that you are playing an active role in the support of wildlife and conservation

Trees & benches

There are more than 50 varieties of tree at Beale Park, all of which are available for sponsorship, whether it's a traditional Oak or a more exotic Indian Bean Tree.

Trees can be sponsored for as little as £60.00, depending on the species, and we will identify your chosen tree on the sponsorship board with your dedication. Alternatively, you could sponsor a bench for a minimum cost of £220, depending on the design chosen, together with a plaque with your personal dedication.
